KALEU

2022

KALEU MENDOZA CABERNET SAUVIGNON

MENDOZA • ARGENTINA • SOUTH AMERICA

TECHNICAL DETAILS

The Estate

This 100% Cabernet Sauvignon is from the UCO valley in Mendoza. The annual temperature here is between 14° & 15°C and the locations of the vineyards vary from 900 to 1500 meters above sea level. The Soils here are shallow, alluvial with mgravel and boulders along with steep slopes.

Wine Making

The dry, hot climate of Argentina is really great for growing Cabernet Sauvignon. The grapes ripen very easily, so these Cabs are able to show a wonderful depth of flavor, with lots of blackberries, cherry, pepper, vanilla and with a little bit of mint.

Food Suggestions

Pairs well with beef, lamb, and poultry dishes.

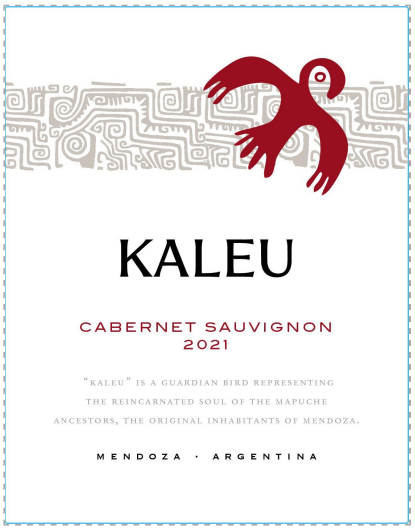

TASTING NOTES

Kaleu Cabernet Sauvignon presents a deep purple color, with dark tones. Intense and complex aromas of cherries, blackberries and spices. In the mouth has good structure, ripe tannins and a balanced acidity.

Cabernet Sauvignon grape blend.

This wine contains allergens, sulfites.
