DUCKMAN 'ROSA DUCK' BAIRRADA ROSE PET NAT

BAIRRADA • PORTUGAL • EUROPE

TECHNICAL DETAILS

The Estate

The Duckman wines express the true character of Bairrada's indigenous varietals and its exceptional maritime influence. There are no indications of the region on the labels, done intentionally to demonstrate an acute sense of place and varietal typicity through minimal intervention in the cellar.

Wine Making

Macerated for five days in plastic eggs. Fermented for three weeks in stainless steel with temperature control. Unfined and unfiltered.

Food Suggestions

Pairs well with pasta, grilled vegetables, and soft cheese.

TASTING NOTES

This wine comes from 30-year-old vines planted on numerous plots of sandy and chalky-clay soils. It's light in bubbles, fruity and fun.

Fernão Pires & Baga grape blend.

This wine contains allergens, sulfites.
