CANVASBACK RED MOUNTAIN CABERNET SAUVIGNON

RED MOUNTAIN • WASHINGTON • UNITED STATES • NORTH
AMERICA

TASTING NOTES

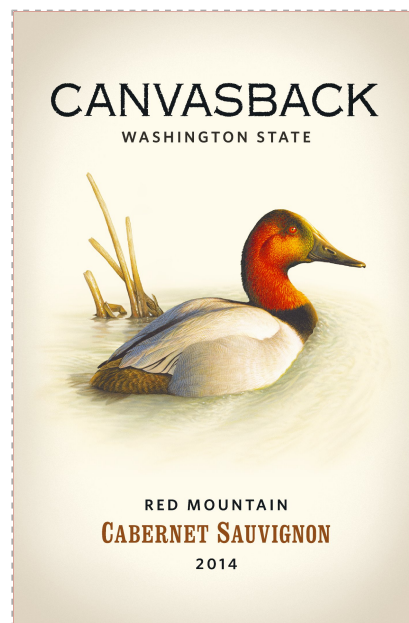

Combining classic Red Mountain aromas of candied cherry, sarsaparilla, sage and star anise with notions of Angostura bitters, grenadine, orange zest and juniper, this tantalizing wine draws you in with its bouquet. On the palate darker fruits emerge, with luxurious layers of blackberry and cassis mingling with subtle hints of leaf tobacco, cinnamon and spice. Throughout, shapely tannins frame the dynamic flavors while carrying the wine to a long finish with rich fruit and spice fireworks.

91% Cabernet Sauvignon & 9% Merlot grape blend.

This wine contains allergens, sulfites.
