CHÂTEAU DU GLANA SAINT JULIEN ROUGE

SAINT JULIEN • BORDEAUX • FRANCE • EUROPE

TASING NOTES

Well defined and focused bouquet of blackberry, cedar, and light tobacco aromas. There is elegance and refinement here. The palate is medium bodied with supple tannins, a fine bead of acidity with a pinch of black pepper towards the finish. Whilst not the most high profile Saint Julien property, this du Glana is impressive and might represent the “insiders choice”.- 91, Vinous

«We are aware that we are very fortunate to be among those estates that were totally spared by a terrible climatic accident. We were therefore able to produce a generous crop of
good, homogeneous quality. The wines are concentrated, deeply-coloured, and aromatic,
with beautiful balance – wines that have nothing to be ashamed of when compared to the
outstanding 2015s and 2016s…»
