TECHNICAL DETAILS

Estate

The Conti di San Bonifacio Winery is nestled between the Maremma hills and the plains of the Tuscan coastline. Ours is a garden vineyard and boutique Cantina producing beautifully crafted wines, made with passion and authenticity with the expertise of our winemaker.

The Winery works hand in hand with the Wine+Wellness Resort, set on the brink of a hill with views across the vineyards and the surrounding medieval villages far off in the distance.

Winemaking

Fermented in temperature-controlled stainless steel vats at 26°-28° C and aged for 18 months in second year French oak barrels.

Food Suggestions

TASTING NOTES

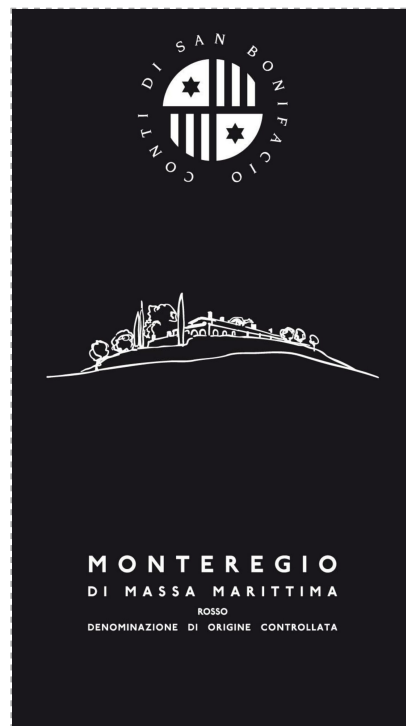

Intense red fruit along with highly pleasurable notes of blueberry, cocoa, oak and hint of cinnamon on the nose. Densely textured and persistent on the palate with a savoury freshness. It fully respects the character of the Sangiovese grape from the Monteregio hills with a nice long lasting finish. The well-managed tannins blend perfectly with the oak, making this a complex and elegant Tuscan red wine with a lovely length and persistence and smooth finish.

85% Sangiovese, 10% Syrah, and 5% Cabernet Franc.

This wine contains allergens, sulfites.
