# FERRATON 'LE PARVIS' CHATEAUNEUF DU PAPE ROUGE

CHATEAUNEUF DU PAPE · RHONE · FRANCE · EUROPE

### **TECHNICAL DETAILS**

#### The Estate

Michel, his son, inherited the same passion. He decided to give a new dimension to his father's vineyards. The first Hermitage, Crozes-Hermitage and Saint-Joseph Ferraton were brought into the world. A close friend of the Ferratons', Michel Chapoutier brought his know-how. In 1998, the vineyards were converted to organic viticulture, then certified. Before embracing the culture of bio-dynamics. An audacious step, for innovative and strong perspectives.

#### Wine Making

The grapes are destemmed and the vinification takes place in vats. Extraction by punching down and pumping over. Maceration lasts around 20 days at temperatures between 25-30°C.

## **Food Suggestions**

Pairs well with pork, lamb, and poultry dishes.

## **TASTING NOTES**

A whiff of blood lends iodine complexity to pristine black-cherry and cassis flavors in this delicately tannic, satin-textured Syrah-Mourvèdre blend. Richly concentrated, the succulent wine is properly ripe but maintains an earthen, granitic restraint.

Grenache, Syrah & Mourvèdre grape blend.

This wine contains allergens, sulfites.
