CANALETTO PAVIA PINOT NOIR

PAVIA • LOMBARDY • ITALY • EUROPE

TECHNICAL DETAILS

The Estate

Grapes for the Canaletto Pinot Noir are grown in selected vineyards in the Oltrepo Pavese Hills in Lombardy. The vines are a minimum of 15 years old. The grapes are grown on hillside slopes, where they are ripened to perfection. Pinot Noir is perfectly suited to these higher vineyards, where it develops ripe and charismatic fruit characters.

Wine Making

The grapes are hand-picked at the beginning of September. Pickers revisit the vineyards time and time again, only selecting those bunches of grapes at their optimum ripeness.
