TATTOO GIRL CABERNET SAUVIGNON

COLUMBIA VALLEY • WASHINGTON • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Tattoos have been a part of culture for almost as long as wine. The winery behind this bottle, Tattoo Girl, reminds us that both artforms tell stories about where we've been and how we can evolve in the future. The winemakers combined their wine with unique tattoo artwork to showcase each bottle while celebrating the wine drinker — those who are bold and authentic in their actions, free in their conversations, and excited to celebrate life's beautiful moments.

Wine Making

The Columbia River and its tributaries not only provide water but also help to moderate both summer and winter temperatures. Even so, many grape growers use wind turbines to get air circulating and prevent their vines from the effects of frost.

Food Suggestions

Pairs well with beef, lamb, deer, venison, and poultry dishes.

TASTING NOTES

Dark fruits such as plum, black cherry & blackberry mingle well in this Cabernet Sauvignon with its complex, yet balanced tannin structure. The ripe dark fruit characters combine to balance the warm spice, vanilla & tobacco for a full-bodied Cabernet everyone is sure to enjoy.

77% Cabernet Sauvignon, 13% Merlot, & 10% Malbec grape blend.

This wine contains allergens, sulfites.
