More About
This Wine

TECHNICAL DETAILS

The Estate

The CADE Estate is situated on a 54-acre property with 21 acres planted to vines. Located in the heart of Howell Mountain, our CADE Reserve vineyards sit at elevations ranging from 1,500 to 1,850 feet and is planted Cabernet Sauvignon, Malbec, and Petit Verdot. The 2018 vintage also features fruit from our recently acquired 82-acre property on Howell Mountain, 13th Vineyard. Fruit was harvested from October 10-29.

Wine Making

Majority of the fermentations went through a very short maceration time between 5–7 days and hot fermentation temperatures, peaking at 92°F. The must was pressed off at between 20°-12° Brix and fermentation was allowed to finish in tank or barrel. The resulting wines have amazing color and big intensity.

Food Suggestions

Pairs well with beef, lamb, deer, venison, mature and hard cheese, and poultry.

TASTING NOTES

On the nose are aromas of cola, blueberry, red cherry, coco nibs, baking spices, and dried cranberries, followed by flavors of boysenberry, black cherry, elderberry, dark chocolate, clove, and licorice. It finishes with bramble, amaretto, and dried blue/black fruits. This wine has a classic Howell Mountain structure and tannin — big and bold but balanced in approach. The cooler vintage produced wines with higher perceived acidity and exceptional red fruit flavors and aromas.

87% Cabernet Sauvignon, 5% Petit Verdot, 5% Merlot, & 3% Malbec grape blend.
This wine contains allergens, sulfites.

ATTRIBUTES

- Available Size: 750mL (12 pc)
- ABV%: 15.6
- Class: Red
