SALVESTRIN NAPA VALLEY CABERNET SAUVIGNON

NAPA VALLEY • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Nestled in famous Napa Valley, our family has been growing winegrapes on our historic St. Helena vineyard since 1932. Originally planted in 1860 by Dr. George Crane, three generations of the Salvestrin Family have meticulously and sustainably farmed this 26 acre vineyard for 81 harvests. Being sensitive to the environment and the surrounding community by following organic guidelines, we consistently create handcrafted wines that are fruit forward, elegant, balanced and memorably world class.

Wine Making

We farm these grapes ourselves to ensure maximum quality is achieved and maintained throughout the growing and winemaking process. Aged for 21 months in 25% New French Oak.

Food Suggestions

Pairs well with beef, lamb, deer, venison, mature and hard cheese, and poultry dishes.

TASTING NOTES

The 2020 Napa Valley Cabernet Sauvignon features a vibrant mélange of black cherry, black currants, cedar, and dried violets. The mouthfeel is medium bodied with a distinct silkiness throughout, plus a touch of minerality that adds freshness and depth. There's a sense of grace and liveliness to this wine. The finish is laser focused with refined length and whispers hints of dark chocolate and blackberry.

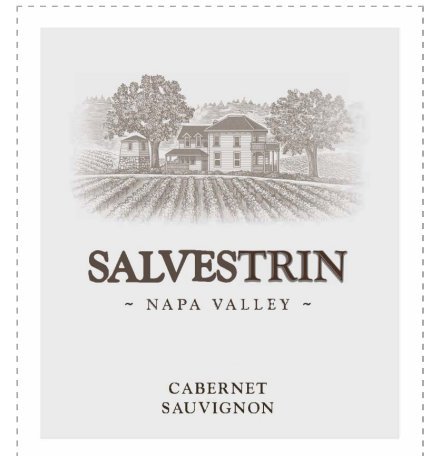

Cabernet Sauvignon, Merlot, & Syrah grape blend.

This wine contains allergens, sulfites.
