LARCHAGO RIOJA ALAVESA BLANCO

RIOJA ALAVESA • RIOJA • SPAIN • EUROPE

TECHNICAL DETAILS

The Estate

Since 1882, four generations have tended their vineyards and made their own wines here. The winery was the first to be registered as a wine bottler in the Rioja Alavesa sub-area. The most representative brand of our D.O.Ca Rioja wines. Our own vineyards are located in the municipalities of Laguardia, Elciego and Lapuebla de Labarca, the most emblematic areas of the Rioja Alavesa sub-area.

Wine Making

The grapes come from our own vineyards in Elciego, the core of Rioja Alavesa. They are harvested in the first half of October when they reach their optimum ripeness. The clean must is fermented at a controlled temperature of 14°C for 25 days.

Food Suggestions

Pairs well with shellfish, appetizers and snacks, lean fish, and cured meats.

TASTING NOTES

Displays a bright straw-yellow color. Aromas of white fruit (pears, peach skins) combined with white flowers and tropical notes, clean and powerful. Silky, smooth mouth. Fresh and very harmonious with a long aftertaste.

100% Viura grape blend.

This wine contains allergens, sulfites.
