CASTILLO DEL BARON YECLA MONASTRELL

YECLA • SPAIN • EUROPE

TECHNICAL DETAILS

The Estate

Selected from one of the leading bodegas in South Eastern Spain, these delightful, rich and well endowed Monastrell based wines offer real quality as well as great value.

Wine Making

Well-equipped, modern vinification facilities feature stainless steel tanks, full temperature-control, pneumatic presses, and a state-of-the-art bottling line. There are separate underground cellars for barrel ageing, and a temperature/humidity-controlled bottle storehouse.

Food Suggestions

Pairs well with lamb.

TASTING NOTES

Castillo de Baron Monastrell is an explosion of fresh, ripe red and black fruit, with a warm Mediterranean spicy/earthy twist. On the palate, the wine is soft and fruity, and very well-framed by crisp natural acidity. The finish is clean, harmonious, and more-ish.

Monastrell grape blend.

This wine contains allergens, sulfites.
