TECHNICAL DETAILS

The Estate

The dedication of the Trefethen family is manifest in every aspect of the operation, from the soil to the table, including sustainable farming, thoughtful winemaking, and gracious hospitality. Eshcol rounds out the Trefethen portfolio as an introduction to our estate-grown and sustainably produced wines. Crafted for those looking for Napa Valley quality in an accessible wine, Eshcol delivers incredible value.

Wine Making

Record-breaking winter rains filled our reservoirs and recharged the soil. Spring and early summer were warm, leading to very strong growth in the vines. The rest of the summer was more typical with warm days and cool nights, providing perfect conditions for the developing grapes. Our yields for the season were slightly lower than average and the resulting wines are classic—with complex flavors and our signature brightness on the palate.

Food Suggestions

Pairs well with slow-cooked peppers and tomatoes for the deep richness that complements this wine perfectly. He suggests pairing it with leaner cuts of beef like flank or skirt steak.

TASTING NOTES

This wine opens with expressive aromas of cherry and blackberry accented with notes of fig, tobacco leaf, and sarsaparilla. Full-bodied and balanced, the integrated flavors of ripe dark fruit lead to a lush and abundant finish.

A grape blend of Malbec, Petit Verdot, Cabernet Sauvignon, & Merlot.

This wine contains allergens, sulfites.
