## FATTORIA DI BASCIANO 'RISERVA' CHIANTI

CHIANTI • TUSCANY • ITALY • EUROPE

### TASTING NOTES

The Riserva is produced in very good vintages only, from a selection of the best Sangiovese grapes of the Fattoria. This wine is released after about 30 months of ageing, and more years of cellaring will contribute to develop both structure and complexity. Full of dark plum, blackberry and tar flavors, this red also has some carbonic gas. Extracted, revealing smoke and tar notes on the finish.

**93% Sangiovese & 7% Colorino grape blend.**

**This wine contains allergens, sulfites.**
