ESSER MONTEREY COUNTY PINOT NOIR

MONTEREY COUNTY • CALIFORNIA • UNITED STATES • NORTH
AMERICA

TECHNICAL DETAILS

The Estate

Esser wines are produced from the cool Central Coast Region of California and crafted from sustainably farmed vineyards of the Scheid family that realized the potential of the growing region over 40 years ago. These wines express the fruit, the climate, the terroir and water into a poetic expression of flavors long sought by wine connoisseurs from around the globe.

Wine Making

The well balanced fruit of Pommard and Dijon clones were harvested in the early morning hours and shipped immediately to the nearby crush pad. The clusters were triaged and de-stemmed before transferring into pre-chilled stainless steel tanks for cold soaking to extract flavor and color. The must was kept cool during the first couple of days while the cap was punched down and the juice pumped over twice a day before inoculation.

Food Suggestions

Pairs well with beef, veal, deer, venison, and poultry dishes.
