TASTING NOTES

This fruit driven Pinot Noir shows beautiful dark cherry and on the nose. The medium body reveals flavors of juicy red fruit, earth, and spice against a backdrop of oak. On the palate the fruit flavors echo the nose with dark red cherry and ripe raspberry. The fruit flavors are bold up front, then take a secondary role to the earth, spice, and floral tones. The tannins are well integrated and a streak of acidity finishes clean.

Pinot Noir grape blend.

This wine contains allergens, sulfites.
