CAVE SPRING 'INDIAN SUMMER LATE HARVEST' LAKESHORE RIESLING

LINCOLN LAKESHORE • NIAGARA PENINSULA • CANADA • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Great winemaking finds its origins through a marriage of vision, passion and patience. More than three decades ago, the Pennachetti family helped to pioneer the cultivation of noble European grape varietals on the Niagara Peninsula with the planting of their first Riesling and Chardonnay vines at Cave Spring Vineyard.

Food Suggestions

Pairs well with pork, shellfish, spicy foods, poultry dishes, and cured meats.

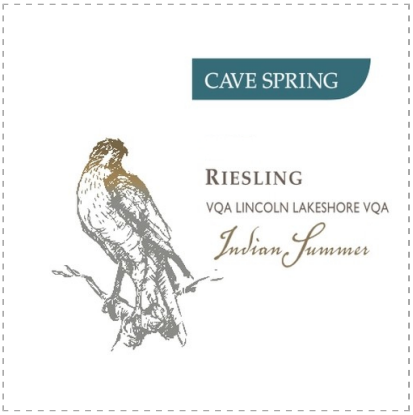

TASTING NOTES

The nose is highly aromatic with aromas of peach, apricot and poached pear over top notes of exotic citrus, spice and comb honey. The palate is full and sweet with a round, seamless feel, gently lifted by well integrated acidity throughout. Rich flavours of sultana raisins, dried apricot and orange marmelade dominate, carrying with great intensity alongside nuances of pear preserve long onto the finish.

Riesling grape blend.

This wine contains allergens, sulfites.
