BORDEAUX SUPERIEUR • BORDEAUX • FRANCE • EUROPE

TECHNICAL DETAILS

The Estate

The Château de Monrecueil is a Bordeaux Supérieur that is produced at the Château de Belcier, which is recognised as one of the best AOC Castillon – Côtes de Bordeaux.

Wine Making

There is a firm emphasis on fruit here. The wine is not aged in barrels and is immensely palatable, fleshy and well balanced, with an elegant label.

Food Suggestions

Pairs well with red meat like beef and venison based dishes.

TASTING NOTES

The wine has plenty of ripe fruit and generous tannins. The blackberry fruitiness and acidity are backed by a dry core that will allow this full-bodied wine to age.

Cabernet Sauvignon & Merlot grape blend.

This wine contains allergens, sulfites.
