TECHNICAL DETAILS

Estate

The Conti di San Bonifacio Winery is nestled between the Maremma hills and the plains of the Tuscan coastline. Ours is a garden vineyard and boutique Cantina producing beautifully crafted wines, made with passion and authenticity with the expertise of our winemaker.

The Winery works hand in hand with the Wine+Wellness Resort, set on the brink of a hill with views across the vineyards and the surrounding medieval villages far off in the distance.

Winemaking

Fermented at a controlled temperature of 20°C, second fermentation takes place at a low temperature in steel tanks.
