SALVESTRIN "DR CRANE ESTATE" ST HELENA CABERNET SAUVIGNON

ST HELENA • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Nestled in famous Napa Valley, our family has been growing winegrapes on our historic St. Helena vineyard since 1932. Originally planted in 1860 by Dr. George Crane, three generations of the Salvestrin Family have meticulously and sustainably farmed this 26 acre vineyard for 81 harvests. Being sensitive to the environment and the surrounding community by following organic guidelines, we consistently create handcrafted wines that are fruit forward, elegant, balanced and memorably world class.

Wine Making

Once the fermentations are dry, they are gently drained and pressed off. The free run portion and press are kept separate and barreled down into oak barrels via gravity. The wines age for over a year before blending. After blending, the Estate Cabernet ages for a total of 22 months. The wine is racked 2-3 times during barrel aging.

Food Suggestions

Pairs well with beef, lamb, deer, venison, mature cheese, poultry dishes.

TASTING NOTES

Medium bodied with finesse and focus, this wine opens with notes of black cherry, raspberry, fig, and dried rose petals. This wine shows restraint and tension, perfectly built for long aging potential. Our approach emphasizes balance and elegance instead of power and opulence. The texture is velvety without compromising its inherent Cabernet weight, the mid-palate is juicy and the finish is persistently chalky yet polished. Hints of barrel tones including baking spice and vanilla on the palate mingle with notes of red plum and fennel.

Cabernet Sauvignon, Merlot, & Cabernet Franc grape blend.

This wine contains allergens, sulfites.
