BROKEN EARTH CABERNET FRANC CV PASO ROBLES

PASO ROBLES • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Deeply rooted in the pioneering spirit of Paso Robles Wine Country, Broken Earth wines are born from heritage, hard work and careful stewardship of our vineyard. Land that once sustained generations of cattle ranchers and then visionary grape growers is now home to over 700 acres of vines on Paso Robles' east side. Our wines stand as a bold expression of this place, each with their own story to tell.

Wine Making

The term CV refers to the original vineyard holdings on our estate, Continental Vineyards, and this very limited wine is only produced in exceptional vintage years. In 2019, we achieved perfect fruit ripeness, resulting in a wine of outstanding depth.

Food Suggestions

Pairs well with beef, pork, deer, venison, and poultry dishes.

TASTING NOTES

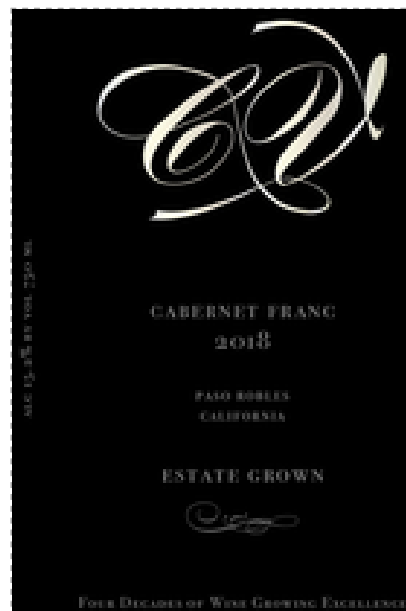

This crop was a much anticipated one. It is a very robust style that retains elegance and finesse. It is quite firm on the palate but the masses of spicy fruit and balancing oak compliment the grip nicely. The color is deep and intense reflecting the wine's brooding nature. Bright natural acidity will ensure this wine ages for many years.

Cabernet Franc grape blend.

This wine contains allergens, sulfites.
