PRENDINA MANTOVA PINOT GRIGIO

MANTOVA • LOMBARDY • ITALY • EUROPE

TASTING NOTES

Pinot Grigio is without doubt one of Italy's favourite wines. It is great with softly flavoured foods or on its own. A lovely, soft almost sappy fruit flavour on the nose is backed up by a mouth-filling texture on the palate. In the mouth this white wine is a powerful with a nice freshness.

Pinot Grigio grape blend.

This wine contains allergens, sulfites.
